(PDF) Snowball Sampling: A Purposeful Method of Sampling

Judging people are purposeful, and they like structure, plans, rules, and organization. Perceiving people take a laid-back, relaxed approach. They're flexible, open to change, and like to explore. Although one side of each scale is thought to be dominant for each of us, that doesn't mean it's the only way we can relate to the world.

How Critical Thinking Skills Can Help Improve Your Future

1. The game has changed. Something is new and shakes up the leadership team's equilibrium. It could be a new CEO, a new team member, or new strategic challenges. Whatever the shift, the team struggles with focus, collaboration, and trust. Conversations circle at a superficial level, not getting into the deeper, more complex issues.
